Total Income = \$835.00

Paying Guests = \$588.00

Drinks = \$137.00

Raffle = \$110.00

Net Profit = \$477.65

### OVERVIEW

- 49 Paying Guests
- Hosted by Donny & Janet Draper. Lot of support from the community. Special thanks to David Kinsey for his significant contribution.
- The quantity of food purchased was pretty much the right amount. We ran low on some items due to the fact that we purchased the food expecting 40 people, not 49. The additional people signed up after the cutoff date. This issue needs to be addressed, however, there were no serious complaints from the attendees.
- It was pointed out by the chairperson of the pool committee that no glasses or glass bottles should be out by the pool. To prevent this in the future, liquid products will be purchased in plastic or cans. Additionally, plastic cups have been purchased to be used with any remaining liquids we have that are in glass (Primarily beer)
- Overall a very successful event. The social committee wants to thank all of those that attended and a special thanks to all that work the event in any manner.
