OVERVIEW

- 46 Paying Guests
- Lots of support from the community in setting up, tearing down and putting on the breakfast.
- The amount of food purchased was the right amount with the exception of milk. Two gallons were purchased and we could have got by with a half gallon (pancake mix did not require milk).
- We had two skillets for cooking and could have used one more. We were not able to cook the pancakes until after the sausage was cooked.
- Overall a successful event. The social committee wants to thank all of you who attended and a special thanks to all that helped work the event.
